Transfer of service activities from LaserPluss AG to Sateg GmbH

Dear Sir or Madam,

As already announced in the letter from LaserPluss AG dated January 22, 2020, the business operations of LaserPluss AG will cease on January 31, 2020. The after sales service will be provided by SATEG GmbH from February 1st, 2020.

SATEG laser plus service - your new service partner.

We – the company SATEG GmbH - are part of the Global Retool Group. The Global Retool Group (GRG), with its eleven locations and over 500 employees worldwide, specializes in retrofitting, overhauling, automation and service of machine tools.

SATEG Steuerungs- und Automatisierungstechnik GmbH designs and implements automation solutions for various industrial sectors. The range of services extends from planning and engineering through assembly and installation to maintenance and servicing of electronic systems, as well as the conversion and modernization of controls and electronic components on existing lines.

Within the GRG group, SATEG is responsible for the entire control and automation technology and has also special technical expertise in the field of laser welding systems.

What changes for you?

You remain in good hands. And will benefit from even more options in the future.

In order to ensure your seamless and constant service support, we have taken over the entire technical equipment and the service team of LaserPluss AG you are familiar with.

Under the leadership of the new and old service manager, Mr. Harry Fuhrmann, the colleagues from Idar-Oberstein will continue to be available to you as competent service contacts - both in the backoffice and at your location.

With the strong background of SATEG and GLOBAL RETOOL GROUP, you can benefit from our group's entire range of services in the future.

Mobile: + 49 173 301 22 76
aschappert@laserplusservice.de

Ms. Rothfuchs
Service Backoffice

Phone: +49 6781 98 664-20
nrothfuchs@laserplusservice.de

Mr. Laufer
Service Technician

Mobile: +49 151 72 71 53 84
slaufer@laserplusservice.de

Mr. Simon
Service Technician

Mobile: +49 151 40 55 28 51
hsimon@laserplusservice.de

Of course there is also a general service address: info@laserplusservice.de, Phone + 49 6781 98 664-20

We are making any effort to ensure a smooth transition. Should things still "stumble" at one point or another, please do not hesitate to contact us. And also, of course, if you have any other questions.

We will keep you up to date with further information. In addition, our team will contact you shortly to start business and service relationships.

We want to stay in touch with you.

Yours sincerely, SATEG GmbH

Jörg Moses
Managing Director
